

Motorola HKVN4431A

Indoor Location Tracking - Licence Key

- This orders the Licence key to activate the Indoor Location Tracking feature in a DP3441e / DP3661e / DP4x01e / SL2600 / SL40x0e / DM4x01e radio.
- This feature is available for MOTOTRBO radio models which support Bluetooth Low Energy (BLE) and relies on Bluetooth beacons (iBeacons) which are installed at known, fixed points around a building.
- The radio continually scans for iBeacons, and periodically sends a measurement report over the data channel to an application.
- The application uses the report to calculate the position of the radio and displays it on a map in a similar way to GPS.

- ✓ Delivered on workdays within %s days
- ✓ Meer dan een webshop
- ✓ 24/7 paraat serviceteam NL&BE
- ✓ ISO9001 gecertificeerd
- ✓ Klanttevredenheid van 8.7
